I have heard counsel for the appellant.

I have perused the award passed by the tribunal. In para 11 of the award, the tribunal after considering the evidence adduced by the claimant has awarded Rs. 17,600/- towards medical expenses, Rs. 5,000/- towards incidental expenses incurred by the claimant during his treatment and further sum of Rs. 10,000/- towards pains and sufferings. The above assessment has been made on the basis of evidence available on record and in view of the fact that the claimant has failed to prove the expenses allegedly incurred by him and also failed to prove that his wages were deducted due to his absence, the above finding is just and proper. Hence no interference is called for and the appeal is dismissed at the admission stage itself.
